Throughout the past year many memories have been attained by each individual who was a part of Wills Point High School. We, the Annual Staff, have tried to reflect this in the 1982 Tiger Pride. The memories in this book hold a different meaning to each of us and we hope as you turn back through the pages of this annual that you'll be able to recall the good times — the sad times — the exciting times — the boring times . . . and be glad that you were one of the personalities that shaped WPHS.

I would like to express a special thanks to the other members of the staff and our sponsor for their hard work. It has been a pleasure to work with you and it will be one of my fondest memories of high school.

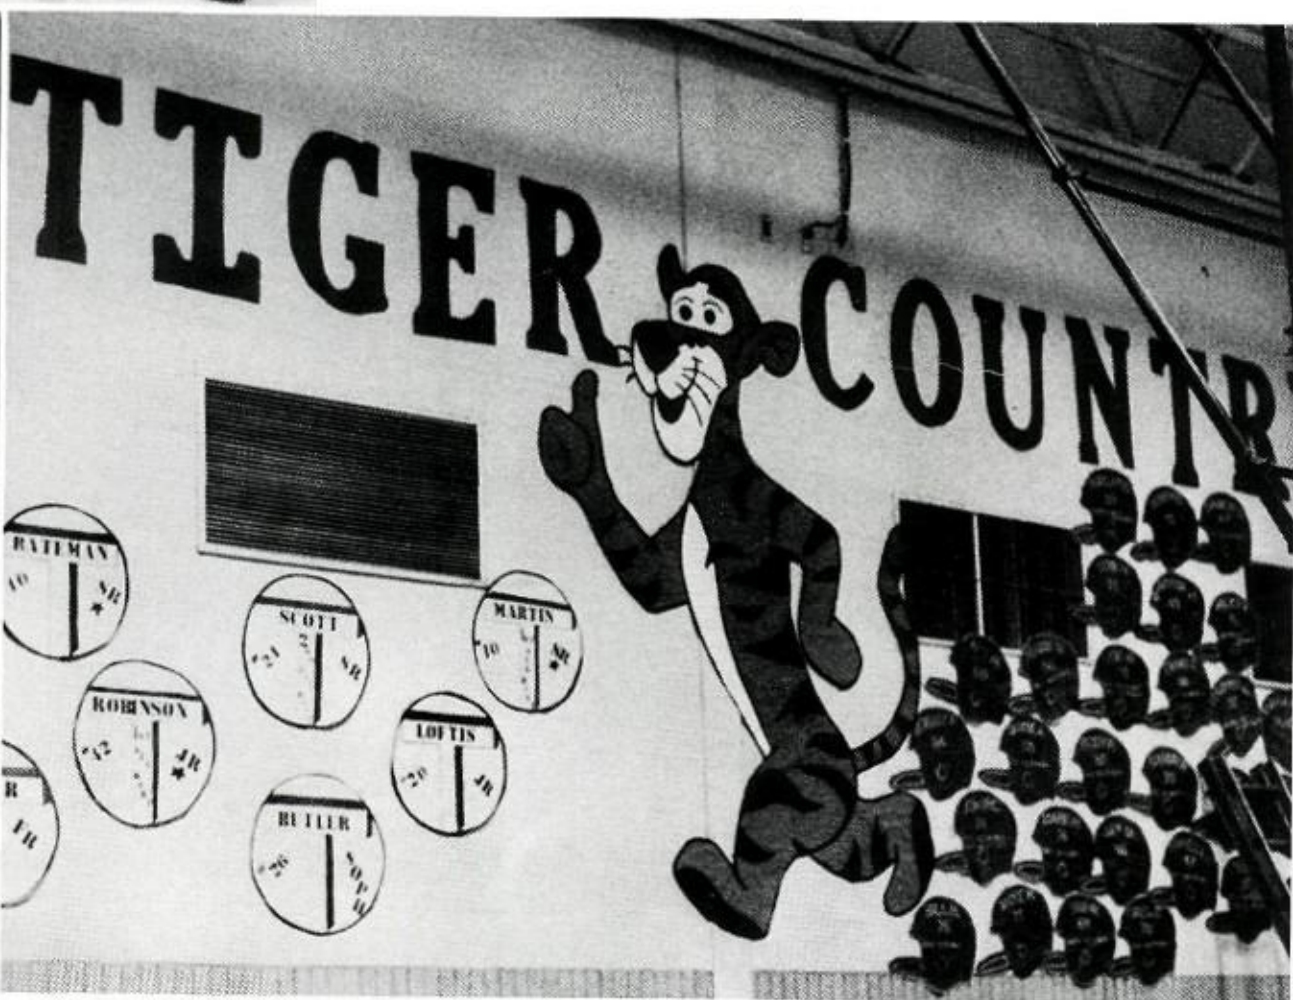

It is now our privilege to present to you the 1982 Tiger Pride . . .

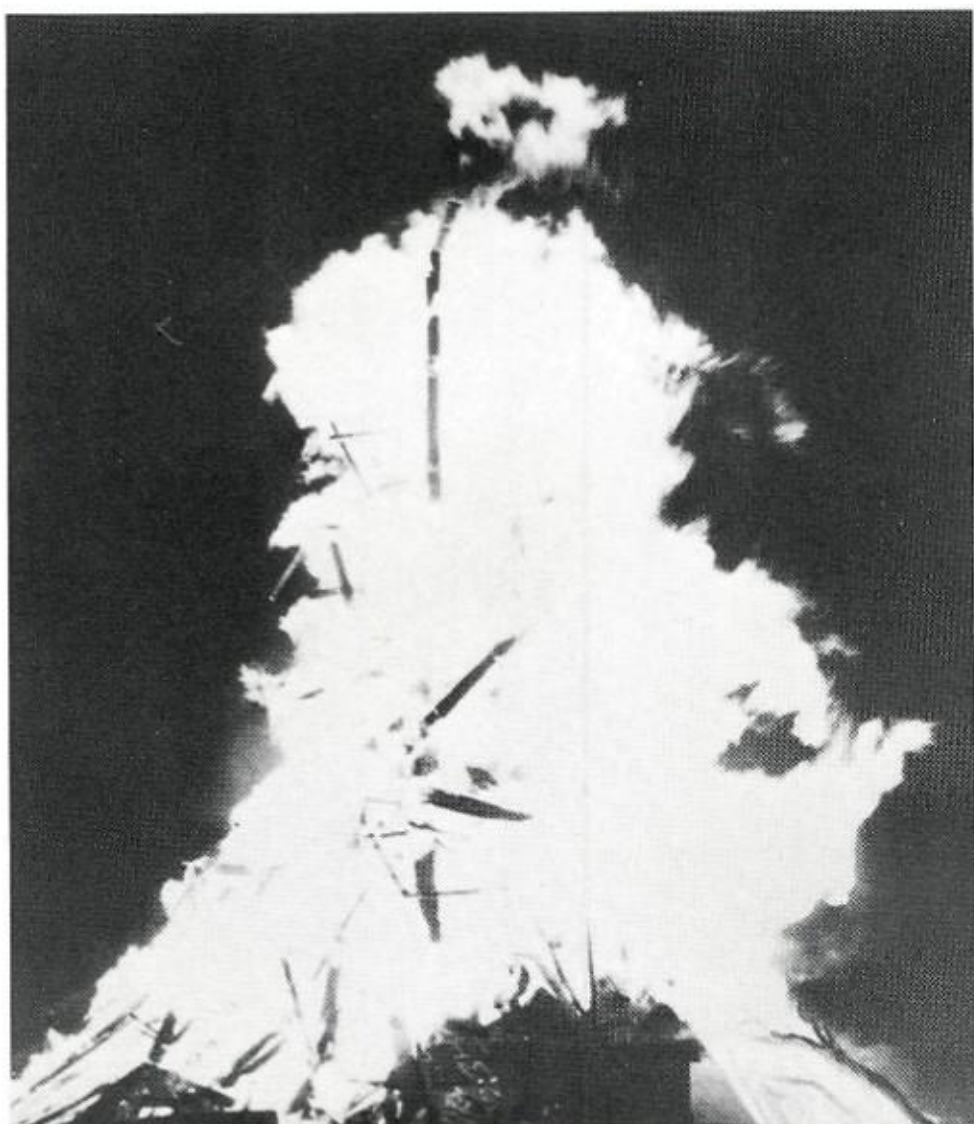

Best of Luck,

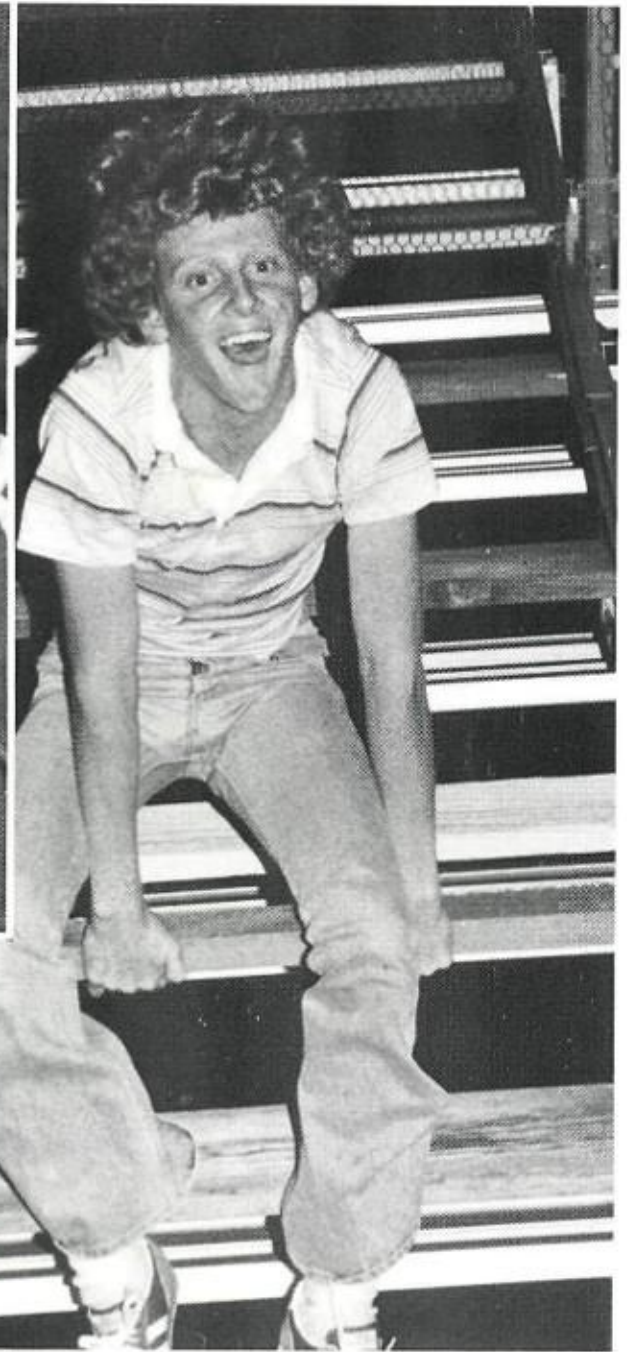

RaeAnn Martin

V. and Frosh Football Brings Excitement

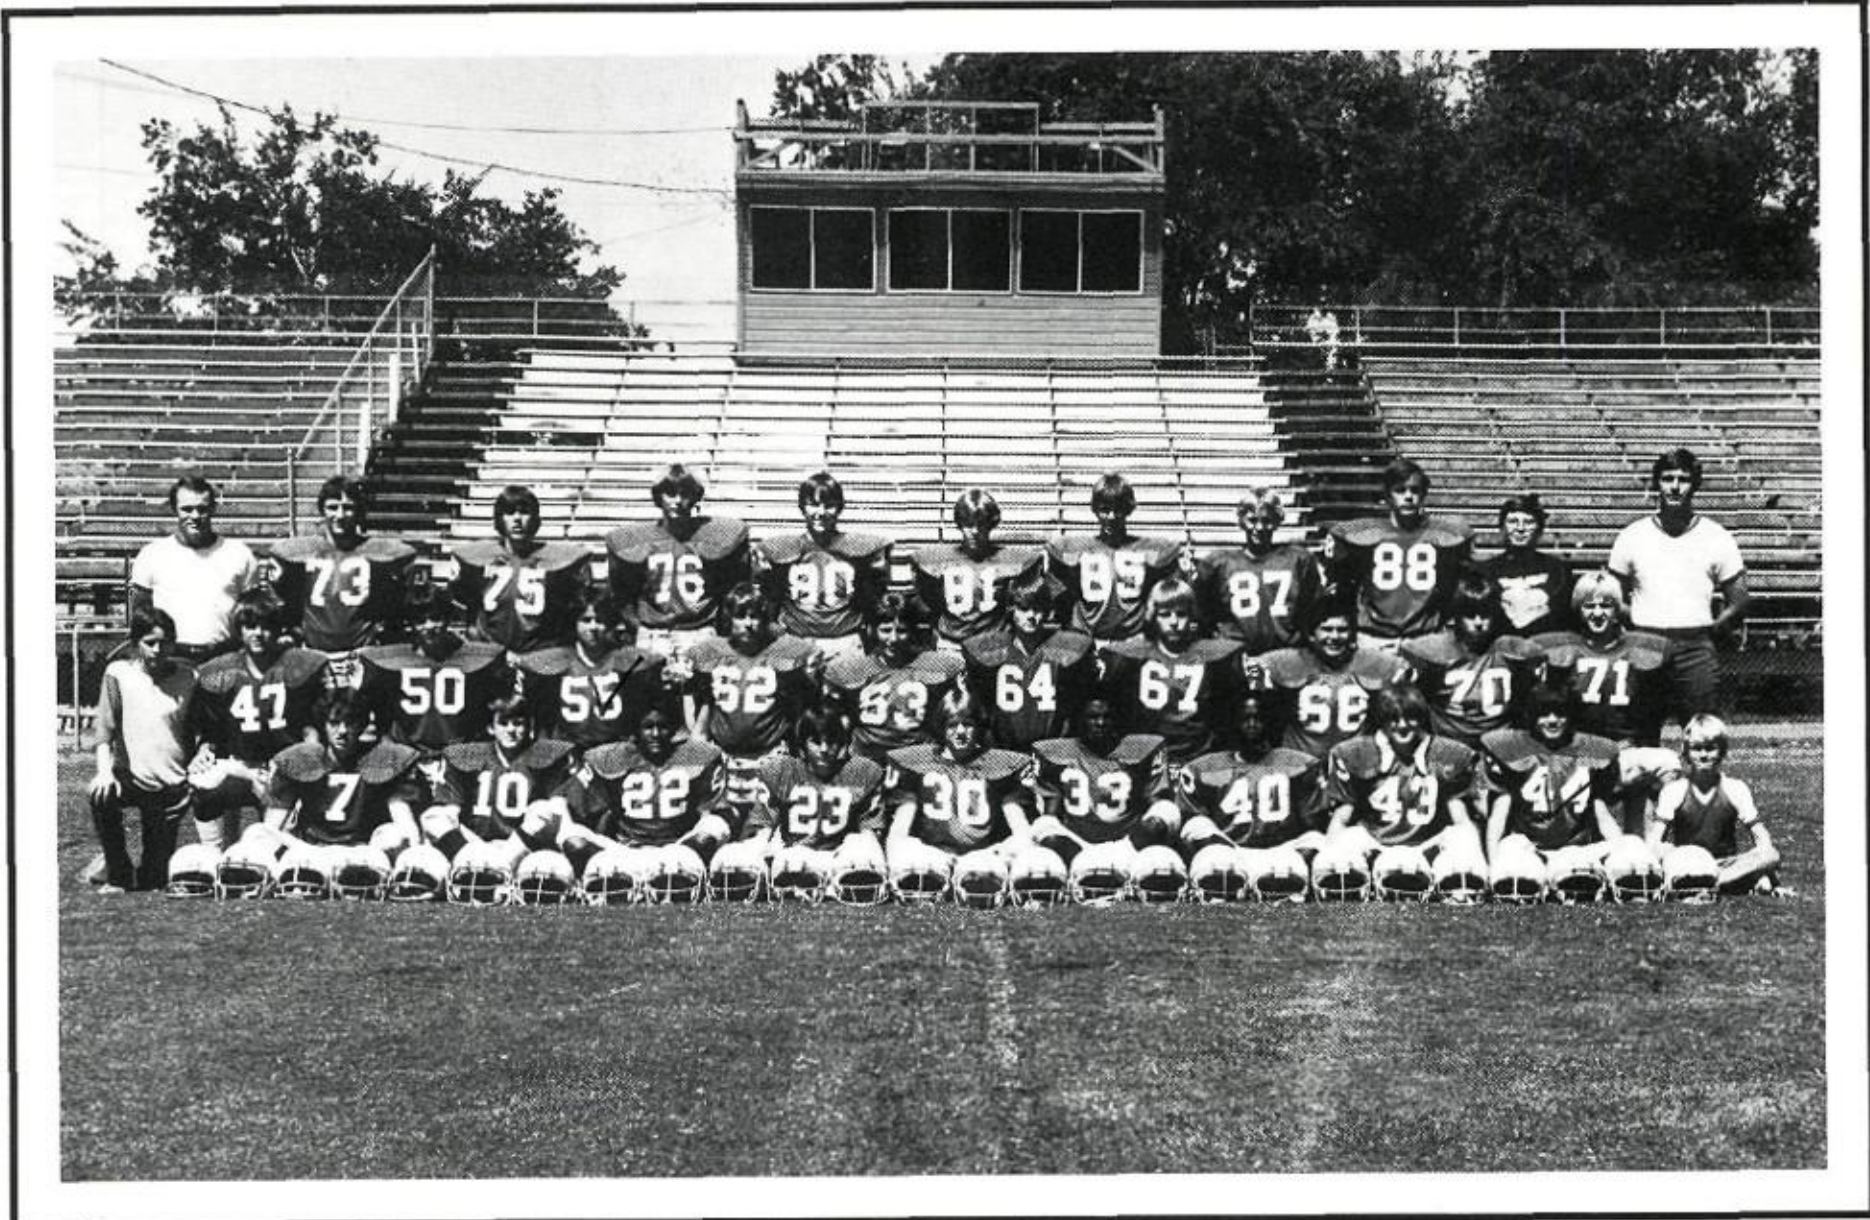

Football is an exciting experience for many young men while they are in high school. Freshman and J.V. football is used as a good learning experience for these young men. They all have dreams of being the hero on the varsity team some day. The Wills Point Freshman and J.V. teams did themselves proud this year and should be commended for their fine spirit and many hours of hard work.

Excell Way Beyond Expectations

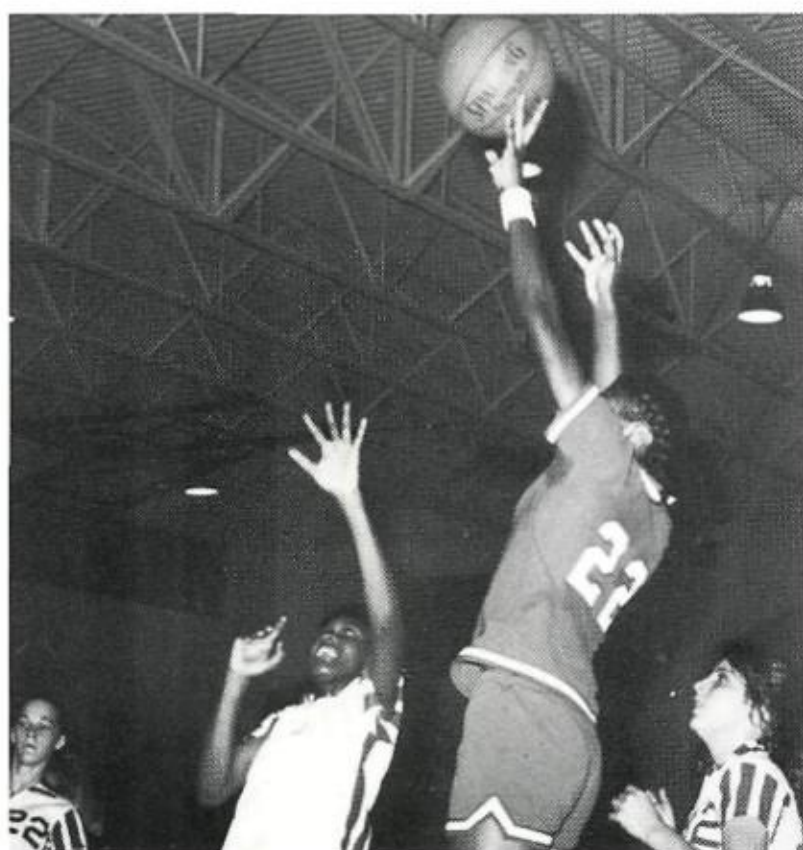

Cheri Thomas

The girls basketball team was something to watch and admire. After having been in existence for three years they have gone beyond anyone's dreams or expectations. From the very beginning they just seemed to get better and better. It took hard work and dedication from all the girls and Coach Gutierrez, but this year they put together the winning combination. They won the district championship and made a good showing at the bi-district competition. Even though they didn't win bi-district, with their kind of determination they will be back.

District Champs and Looking Forward

Five girls were placed on the All-District Team for 1982. Evelyn Sanders and DeSah Robinson made First Team All-District; Cheri Thomas made Second Team All-District and Christel Thomas made Honorable Mention All-District. Angie Barber came out with the highest honor receiving Most Valuable Player of District 15AAA.
